

Reminder to NDPERS Fitness Center Reimbursement Participants

NDPERS members participating in the fitness center reimbursement must take an annual health assessment.

All 2019 workouts require a 2019 health assessment. Please complete the 2019 health assessment by 11:59 p.m. December 31, 2019.

If you have questions regarding eligibility for the program, please contact the number on the back of your member ID card.

All reimbursement requests for the 2019 calendar year must be submitted by February 8, 2020.

Active employees will be taxed on funds received by individual payroll departments. Retired members will receive a notice in the New Year with amounts received for tax purposes.
